

Why Do You Need Biblical Counseling?

The foundational conviction of biblical counselors is that the inspired and inerrant Word of God is the only authoritative source by which we can know absolute truth (Jn 17:17). It is His Word alone that is sufficient to address the needs of this life (2 Pet 1:3-4). Only the Scriptures are spiritually profitable to teach us of God's redemptive plan, reprove us of sin (in doctrine or living), correct our thinking and behavior, and instruct us in such a way that we can be habitually trained to practice the righteousness of Christ in our daily lives (2 Tim 3:16-17).

- Do you feel held hostage by tragic events in your past?
- Have you been relying on substances to bring hope or salve your conscience that has been pricked?
- Have you allowed sexual sin that is characteristic of our age to become part of your life's experience?
- Has there been anxiety that you couldn't find victory over?
- Have you wondered if there's a biblical paradigm for how to live the Christian life in spite of life's obstacles of depression, sin (personal or that inflicted on you by others), or health obstacles?

While secular psychology can make true observations about the reality of man and his problems, only God's Word reveals WHY man does what he does. Do you long for biblical change?
